Penguin Loves Mev In the UK

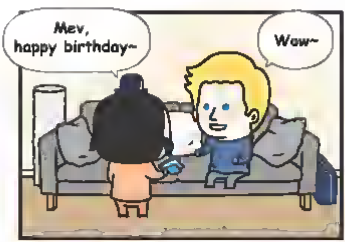
Birthday Event: Part 2

Anyway,
my cookies were all ready

Every present from family and friends were delivered and I got them ready for Mev.

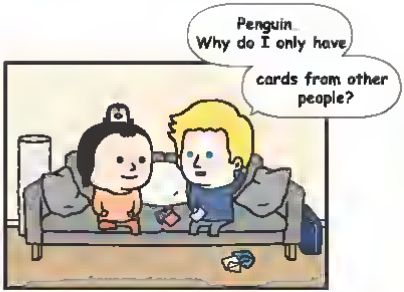
And I was so excited

-Saturday. Mev's birthday.



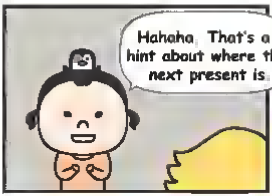
It was time to open presents.

Yay~ I got a voucher from dad.
I wanted to buy a new shirt. Great!

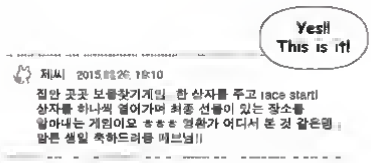


But what Mev got were only
a few cards apart from his dad's gift.

That's because...



... I hid all of the other presents here and there!



The event that I prepared was a present treasure hunt.

So Mev's search started.

the biggest closet in the house.

After Mev completed the task,...

... he passed out.
